

Application to revoke SwissID Sign user certificate

1. Information on the certificate holder

Please note that this form must be completed by the user of the SwissID Sign Service who registered for the service. Unauthorised requests may entail legal consequences.

First name,

Surname

Date of birth

Email address *

* Please enter the e-mail address of your SwissID account

2. Legal disclaimer

I am aware that revocation of a certificate may take several days and I hereby confirm that I shall indemnify SwissSign for any claims based thereon. Revocation of the certificate is irrevocable and final.

3. Signature

By my signature below, I confirm that the information provided is correct, that I approve the revocation of the certificate in my name and that I am authorised to sign this document.

**Signature
of the Applicant**

Place and Date

4. Annexes

Please attach a good readable copy (both sides) of one valid identity card or valid passport of the applicant.

5. Return address

Send the application, including the relevant documents, to:

→ **SwissSign AG, RA-Office, Sägereistrasse 25, CH-8152 Glattbrugg**

SwissSign recommends using the online revocation service at www.swissid.ch. Log into your SwissID account and go to the “SwissID Sign Service” menu. There you can revoke the certificate for the SwissID Sign Service. If you are unable to log into the SwissID account, you can use this form.

Do you have any questions? Our Customer Service will be pleased to assist.
