The access managers shall have limited authorisation to request certificates and approve organisations within the SwissSign Managed PKI service. They shall not be authorised to exercise any other powers of representation, especially as regards the amendment of the Managed PKI contract. In particular, they shall be authorised to perform the following tasks:

- Requesting of certificates and the provision of all information and documents required for the request;
- Approval of requests of those requesting certificates

The access managers shall act as so-called “SwissSign Managed PKI access managers” for the Managed PKI and shall receive an access certificate for this purpose (operator certificate).

The following restrictions are stipulated for the access managers (e.g. exclusion of certain certificate types):

Proof of the names and signatures of all natural persons (access managers, signatories) identified in this authorisation is provided in the enclosed copies of the signed photo identification documents.

Should this authority be revoked or become superfluous, written notification or a digitally signed e-mail reporting this change of circumstance must immediately be sent to SwissSign AG, Sales & Partner Management, Sägereistrasse 25, 8152 Glattbrugg, Switzerland or contracts@swissign.com.

SwissSign AG shall be authorised to demand a new authorisation for the access managers at any time.

Signatures of the organisations's management figures pursuant to the proof of the organisations's existence (e.g. commercial register excerpt):
